

Your Name: _____ Club: _____

Your Pet's Name: _____ Breed: _____

Pet's Age: _____ Gender: _____ Spayed or Neutered

1. Write a brief statement about how you obtained your small pet.
2. Does your pet require veterinarian visits for check-ups and shots? If yes, how often do you take your pet to the vet, and what care has your pet received.
3. Explain the daily care you provide your pet and how you prevent common disease or ailments.
4. Explain your pet's reproduction process (breeding age, length of gestation, average litter size, life expectancy).
5. What are some possibilities of making money with a pet like yours? (Is there any commercial use?)

6. What have you learned about your pet while you have owned it?
7. Describe any experiences you have had with other people who were interested in your pet. (Include questions they asked or misinformation they had about your pet.)
8. List any expenses you have had in keeping your pet including food, vet costs, equipment, purchase price of pet, etc.

Date	Item	Amount
	Grand Total	\$

9. List any income you have earned from your pet including sale of babies, premium money, etc.

Date	Item	Amount
	Grand Total	\$

10. Determine how much money you made or lost on your pet. You can determine this by:

Income

- | | |
|---|----------|
| 1. Income Total (from Question 8) | \$ _____ |
| 2. Expense Total (from Question 9) | \$ _____ |
| 3. Total Profit/Lose (Subtract Expense Total from Income Total) | \$ _____ |
